Narrative

On April 27th, 2017 at 1844 hours I responded to 5720 Ogeechee Road at the Starbucks kiosk inside of the Kroger in reference to a criminal attempt of Armed Robbery. Upon my arrival, I made contact with the victim (Ms. Mary Smith) and got a quick synopsis of what occurred before watching the surveillance footage of this incident.

Ms. Smith advised me that a light skinned black male wearing a gray tank top, gray gym shorts, and a black hat with a silver ball on top approached their counter at 1816 hours and asked for a cup of water. Ms. Smith then gave

him a cup of water and he then walked away for about a minute. At this time, Ms. Smith advised me that her and two of her co-workers were picking on the male about the hat that he was wearing. About 45 seconds to a minute later this male approached a second time and told her "What would yall do if I wanted yall's tip money?" At this time, Ms. Smith told his male that if he wanted to take the tips to take them. In which point he stated "No, I'm serious... what would yall do? I need the money. I just came from jail so I don't care what happens and I need the money." Ms. Smith added that when this male was saying these statements that he wasn't laughing or smiling so she knew he was serious about this question. Ms. Smith then told this male a second time, do whatever you want.

Ms. Smith advised after a few minutes of this male continually asking for the tip money both of her other employees (Ms. Jacquetta Linton-Elvis and Ms. Nakira Bell) walked away and left her there by herself. At this time, Ms. Smith stated this male then told her "Now since they left its up to you" while also asking where the other two employees were going. Ms. Smith responded back to him by saying that one was more than likely going to the restroom and the other was going on her break. Ms. Smith stated the male then restated to her "What would YOU do if I took the tip money"? While saying this, Ms. Smith observed this male pull out a black handgun and laid it down on the counter of their register. Ms. Smith then told this male that she done told him to take the tip money if he wanted it.

At this time, Ms. Smith stated the male then pulled out the tip money out of the jar and began counting the cash. She added that he counted out \$16.00 dollars cash and then told her "I'm just gonna take \$5.00 dollars for gas and leave you the rest". During this whole incident the handgun was still sitting on the counter of the register. Ms. Smith told him again that if he wanted the money to take it and she stated he then asked for a drink in which Ms. Smith told him that she didn't have access to the register so she would have to call one of the other employees over to open the register for him to purchase the drink he was asking about. At this time, Ms Smith stated she the called for her other co-workers (Ms. Linton-Elvis and Ms. Bell) so that they could do a purchase.

When Ms. Bell walked past Ms. Smith she whispered to her telling her "Kira, he has a gun". At this time, Ms. Smith went to the bathroom and contacted her manager about this incident.

Ms. Smith advised me that she never observed this male take any of the tip money and she re-stated that he did remove it from the tip jar and began counting it. She added that she never recalled seeing him putting the money that he was counting back in the jar either. Ms. Smith advised me that she was unaware exactly how much money was inside the tip jar whenever this incident occurred.

At this time, I went upstairs to the managers office to watch the surveillance footage of this incident. I observed a light skinned black male wearing a gray tank top, gray gym shorts, and a black hat with a silver or gray in color ball on top of the hat approach the Starbucks counter at approximately 1816 hours. After the employees of the Starbucks give this male a cup of water he walks out of frame of the camera. At 1818 hours, he reappeared back in the footage at the counter a second time. This time the male talked with all three of the employees for awhile and whenever two of them walked away, I observed the male begin to pull items out of his pockets and began to lay them on the counter. The items appeared to be a cell phone, wallet, and maybe some vehicle keys. He then pulled a black pistol out of his left pocket and also laid it down on the counter. While the pistol was laying on the counter, I observed this male reach into the tip jar and pull out the cash and appeared that he was counting the money. I did not observe him place any of this cash into his pocket. After a few minutes past, the male then puts all his items back into his pockets and then walked away after receiving a second cup of water.

I then spoke to Ms. Jacquetta Linton-Elvis about her story involving this incident. Ms. Linton-Elvis advised me that her and the other two employees were joking around taking about what this male was wearing and she believed that he might of potentially overheard them talking about him. Eventually this male approached them and asked them for a cup of water in which they gave him one. Ms. Linton-Elvis stated this male then re-approached the counter and asked them if he could get the tip money out of the jar. She added that he kept talking about getting the tip money so Ms. Bell eventually walked away because she got tired of him asking about it. Ms. Linton-Elvis stated she then heard this male say something like "I would give yall some tips if I had any money because you are so beautiful" while speaking to Ms. Smith. Ms. Linton-Elvis stated she took that as if he was flirting with Ms. Smith so she then walked away so that they could talk. She added that she never saw anything laying on the counter at this time.

Narrative

Ms. Linton-Elvis stated she then walked towards the tables and began to wash them and about 3 minutes later Ms. Bell came back. At this time, Ms. Linton-Elvis observed Ms. Smith mouthing something towards her so she walked towards the register. At this time, Ms. Linton-Elvis stated this male told Ms. Smith that he wanted to buy a drink so one of them had to put their code in to open the register to do a transaction. Ms. Linton-Elvis stated the male then told her that he only had around \$1.50 dollars on his card and didn't want an overdraft fee so he then asked them if they had anything on the menu for under \$1.00 dollars. Ms. Linton-Elvis told the male that they didn't and this is when he said "ok I won't be buying anything then". At this time, Ms. Linton-Elvis stated the male began putting items back into his pocket and then is when she first observed the pistol as he was placing in back in his pocket. She added that he then walked away without further incident.

I finally talked with Ms. Nakira Bell about her story regarding this incident. Ms. Bell advised me that her and her other two employees were laughing and joking about the male that walked in because apparently he was wearing a female's hat. She added that this male then approached the counter and asked for a cup of water. Ms. Bell stated Ms. Smith gave him a cup of water and then he walked away. A few moments later, Ms. Bell advised he came back to the counter and began leaning over the counter and saying "What would yall do if I took yall's tips?" Ms. Bell stated that all three of them were pretty much ignoring this male and he kept on trying to converse with Ms. Smith so Ms. Bell then walked away to go use the restroom.

Upon arrival back, Ms. Bell stated Ms. Linton-Elvis told her that the male was flirting/hitting on Ms. Smith. Ms. Bell then looked toward Ms. Smith and stated she looked like she was frustrated so she then walked over to her and Ms. Smith told her that he was trying to buy a drink and that she needed her code to unlock the register. When Ms. Bell passed Ms. Smith, she advised Ms. Smith whispered to her "he has a gun" but that she didn't actually click what she said because she said it so quickly and then walked away. Ms. Bell stated that she and Ms. Linton-Elvis then talked with the male for a few moments after he told them what his favorite Starbucks drink was and then after he told them that he only had \$1.00 dollar on his card he began to place his items that he laid on the counter into his pockets. She added that she believed what he put on the counter was a cell phone, some keys, and what appeared to be a silver CO2 cartridge. She also observed the male place a black handgun in his right pocket.

The on-duty supervisors (Sgt Pugh and Sgt Bailey) was notified of this incident and responded accordingly.

Robbery Detectives (Det Samuel, Det Slugg, and Sgt Mydell) were also notified of this incident and responded accordingly.

The manager of the Kroger advised me that he did not know how to burn a copy of this surveillance footage so he would pass it on the loss prevention officer tomorrow morning and he would burn a copy of this incident for SCMPD.

All parties involved were issued a CRN card and explained how to receive a copy of this report.

My Body Worn Camera captured this entire incident.

NARRATIVE

The complainant, Ms. Williams, reported that on July 8, 2018 at approximately 1812 hours, her sixteen year old daughter, Ms. Fulbright, was sexually assaulted while working at Kroger's.

I spoke to Ms. Fulbright who reported that two black male customers that she did not recognize were searching for change to make a purchase and she gave them a quarter. A light skin black male in a red hat then stuffed a dollar bill between her shirt and her apron in a repeated jabbing motion. While placing the dollar bill the suspect repeatedly touched her breast. Ms. Fulbright stated that the suspect's friend stated something to the effect that they needed to get out of there before he got arrested. They then left.

I then spoke to Kroger's manager, Ms. Myers, who showed me the surveillance recording of the incident. I reviewed the recording which was recorded showing the back side of Ms. Fulbright, but appeared to me to show the black male suspect in a red hat putting a dollar in the shirt of Ms. Fulbright. I asked Ms. Myers if there was any other cameras from a different angle that would show the incident and she answered no. I asked Ms. Myers if she was able to get a tag or vehicle description of the suspects. Ms. Myers contacted me after further reviewing the video cameras and stated that she was unable to pick up the suspect after he left Kroger's and believed that they must have been parked in the fire lane next to the store and out of any cameras view.

Ms. Williams and Ms. Fulbright were given a case report number.

The CD was logged into evidence.

Sgt Woodcock, Lt Chaney and Detective Slayden were notified.

NARRATIVE

On 5/4/2020 at 1214 hours, I was dispatched to a cutting at 5720 Ogeechee Road. Dispatch advised the cutting was in reference to a hit and run involving the caller and a white Camry. Upon arrival, the caller, Ms. Angela Montgomery was in the parking lot of the McDonalds at 5720 Ogeechee Road.

Ms. Montgomery advised she was next to her vehicle in the handicap spot of the Kroger parking lot, when a black female driving a white Toyota Camry backed into her car. (See CC200504015 for the hit and run report) Ms. Montgomery said the female got out of her vehicle and started yelling that she is not going to give her the vehicle's insurance. Ms. Montgomery explained that she could not understand the majority of what the female was yelling. Ms. Montgomery said she called police when the female refused to give her the insurance information. Ms. Montgomery advised the female began looking in her bag for something and grabbed an object. Ms. Montgomery said the female waved the object around and made horizontal slashing motions towards her. Ms. Montgomery said she thought the woman was going to hurt her so she kept backing up until she was pinned against her car. Ms. Montgomery said the female cut her on the throat with the object then left in her car. Ms. Montgomery said she followed the female to Ogeechee Road, where the female went southbound on Ogeechee running the red light at Berwick Blvd. Ms. Montgomery advised that dispatch told her to stop at the McDonald's where she saw a Sheriff's Deputy.

Ms. Montgomery said during the incident an unknown white male was present and tried to hold the female back. Police were unable to locate the witness.

Ms. Montgomery had a small cut on her throat, she refused EMS. Pictures of the cut were taken by Officer Marean via AxonCapture. Ms. Montgomery advised she is certain that the female cut her with an object but did not know what kind.

The suspect female was described as a black female with long black hair. She was wearing a white short sleeve shirt with a blue logo and had a long healed scar on her face. Ms. Montgomery advised the female had a thick accent like Jamaican, Caribbean or African. Her vehicle was a white Toyota Camry with the left rear bumper hanging down from damage. The vehicle had a red ornament hanging on the mirror. A BOLO was placed with this information.

Officer Marean advised the outside cameras at Kroger did not show footage of the incident.

Ms. Montgomery was given CRNs and advised on how to obtain a copy of the report.

Area was canvassed by patrol.

On duty supervisor was onscene.

Detectives were onscene.

EMS was onscene.

My BWC was active.

On 4 May 2020, at 1214 hours, I was dispatched to the parking lot of Kroger at 5720 Ogeechee Rd in regards to a cutting.

While on scene with the victim I photographed the cut on her neck. I then relocated to inside the Kroger. While inside I contacted a manager to view any recordings they had, to see if they captured the incident. I viewed the 2 cameras that observe the parking lot, from about 1200 hours to the time that I could observe myself and Officer Lemmons driving past the front of the store. I did not see the incident occur on either camera. I then canvassed the employees for any witnesses of which there were none. I then canvassed the area of the incident for potential witnesses of which there were none.

The photograph was taken and uploaded using AXON Capture.

This ends my involvement with this case.

NARRATIVE

At approximately 1505 hours, I responded to the 5700 block of Ogeechee Road in reference to a person with a gun. Upon arrival, I was flagged down by the complainant, later identified as Kevin Wilson, near the Marco's Pizza, 50 Berwick Boulevard, on the entrance road. Mr. Wilson provided two accounts of the incident. First, Mr. Wilson stated he was sitting in the passenger seat of his sister's black Charger, parked outside of Pizza Hut, 5730 Ogeechee Road, when a silver Camry drove up.

Mr. Wilson stated the driver of the silver Camry, who he identified as "BLACK," demanded money Mr. Wilson's sister owed. Then, Mr. Wilson stated as he was standing outside near the silver Camry, "BLACK" brandished a gun, demanding the money Mr. Wilson's sister owed. Mr. Wilson stated after an exchange of words, he gave "BLACK" \$10,000, then "BLACK" left towards the direction of Century Fenwick Village Apartments. Mr. Wilson advised his sister was inside of Pizza Hut during the time. Then Mr. Wilson said he told his sister to leave the area in her black Charger, and he called his girlfriend to pick him up in her red Elantra.

Initially Mr. Wilson was reluctant to provide his name because he said he did not want to have any connection to the incident in which he called police. Mr. Wilson stated he did not want any of his identifying information on anything related to this call because he feared retaliation. After continuing to speak with Mr. Wilson, he identified himself as Kevin Wilson, birth date 8/2/90. Shortly after, Mr. Wilson stated he could no longer stay on scene to talk because he had to pick up his child from daycare, and he could not afford the late pick up fee. He continued saying he would go to the police department to file a report at a later time.

Mr. Wilson added that he does not know the suspect's real name, and he did not provide any other information about the suspect nor weapon used during the interview on scene. I followed up with the employees at Pizza Hut for witness accounts, however, no one advised that they had seen the incident or any of the circumstances related to the incident. Also did not notice any cameras in the area that are aimed towards the parking lot.

A report was written to document actions. BWC was activated.

NARRATIVE

On November 17, 2020 at approximately 2336 hrs. I was dispatched to 5720 Ogechee Rd (Kroger) for a report of a person with a gun. Upon arrival, I made contact with the complainants Mr. David Harry and Ms. Theresa Bachorik. I asked both parties what was going on and Ms. Bachorik said " I was just told I had to leave and my backpack was taken with a shotgun pointed at my back while I was walking down the street". I asked if they knew the person with the shotgun and they both said Thomas Sumner.

Mr. David Harry said He and Ms. Bachoril were asleep in their tent when, Mr. Thomas Sumner came and pointed a shotgun at them and told them to leave the camp site. Mr. Harry said this was the 3rd time today that Mr. Sumner came to the camp. He said Mr. Sumner came to the camp earlier today and said someone stole his gun. He then pointed a gun at Mr. Johnny Grear and told him to leave. Mr. Harry said after Mr. Grear left, Mr. Sumner came back with a machete and started destroying Mr. Grear's tent.

Mr. Harry said he and Ms. Bachorik were asleep in their tent when Mr. Sumner returned back to the camp with a Camo colored shotgun and told them to leave. He said Mr. Sumner walked them from their camp area towards Hwy 17. Mr. Harry said when they approached Hwy 17, he then told Ms. Bachorik to drop her backpack. Ms. Bachorik said she kept walking, and this is when Mr. Sumner said " really you just going to keep on walking? Do you want to see what 2 buck shots to the back feel like?" Ms. Bachorik said this is when she dropped the black in color backpack.

I asked if they knew where Mr. Sumner lived and Mr. Harry said he stayed off Moose Lane behind his sister's trailer. Mr. Harry said it was the first trailer to the right off Moose Ln. Sgt. Eskridge, Sgt. Cartwright, Officer Schmitt, and myself drove to the area and located the trailer (address 130 Moose Ave). We attempted to make contact with Mr. Sumner at the address however, he was not there.

We attempted to look for the homeless camp however, we were not able to find it. Sgt. Cartwright had Officer Marean bring the victims to our location so they could show us where the camp site was located. Both victims walked us to the camp site and upon arriving, Mr. Sumner could be heard saying " Didn't "I tell yall not to come back here no more". At this time Officer Schmitt yelled!, " drop the gun!"

Mr. Sumner was detained until we could figure out what was going on. While Officer Marean was searching Mr. Sumner, a large black in color butcher knife was tucked in the front of Mr. Sumner's waist band. Also located in Mr. Sumner's left coat pocket was approximately 5 shotgun shells, a black in color pocket knife, 10 one dollar bills, and a small plastic container that contained what appeared to be methamphetamine residue from my training knowledge and experience.

The black in color backpack was found near a camp fire that was burning at the victims' camp site. Ms. Bachorik went inside her tent and said she was missing seven dollars from tent.

Detectives were called to scene, and Mr. Sumner was transported to the annex for questioning by Detectives.

All evidence was transported and logged in the property room. While at the property room an attempt was made to test the residue in the small plastic container, however; there was not enough residue in the container to field test. The evidence was logged into the property room.

Pictures were uploaded to this report.

CID notified,
Sgt. Eskridge and Sgt. Cartwright was on scene.
BWC was activated.

NARRATIVE

On 03-24-2021 at 1900 I responded to 5720 Ogeechee Rd Kroger for a gun discharge report.

I spoke with the victim Felicia Jones, she stated that he rear window in her 2013 Scion XB had been shot out.

She stated that she parked he vehicle at approx. 1800 and went shopping. She said that she was informed by an unknown individual that kids were shooting outside of the store. When she was done shopping and went out to her car her rear window had been broken out. She saw a white vehicle leaving from the area but did not know if it was involved in the incident.

Christopher Shellman advised that he heard a noise that he was told was gun shots. When she went outside he saw two Black males getting into a white Jeep Compass car one was wearing a red hoodie with a graphic down the left arm and black shorts and that other one was wearing a gray sweater and black pants. He did not see the males do anything he was just advised that they were the ones shooting.

I did observe Felicias rear window broken. I could see a small hole which looked to be a point of entry into the rear window.

There was no other damages found to her vehicle or any other property. There was also no casings found in the area.

Krogers was unable to check footage at this time.

A forensic request form was completed and turned in.

A CRN was issued and my BWC was active
